

TAX CONSULTANT – JOB BRIEF

Reports to: Partners

Full time

Location: Footscray

Start: Immediate

We are looking for a specialist who is an expert in Australian Taxation.

Working closely with our Partners, they will use their high-level taxation knowledge to provide tax advice, acute insights and bigger picture perspectives to assist our SME business clients to make informed choices and deal with complex tax issues.

Key responsibilities:

- Providing high-end tax advice to our clients, mainly family owned small & medium businesses.
- Develop relationships with clients to gain an understanding of their businesses and to identify potential opportunities.
- Produce well researched tax opinions
- With the appropriate engagement from Partners and staff, develop opportunities for new products and services.

Requirements

- Legal or commerce degree qualified, with a post Grad qualification in taxation, such as a Masters of Taxation.
- CPA or CA qualified - preferred
- A minimum of 10 years' tax experience within a public practice firm. Must have experience providing taxation advice to SME businesses.
- Technically strong, with an excellent depth of Australian taxation knowledge
- Demonstrated strategic and innovative thinking skills.
- Have a high level of commercial acumen, analytical skills and be solutions focused.
- Exceptional communication skills & interpersonal skills
- Motivated, a strong capacity to work autonomously and with demonstrated organisational & time management skills.

Remuneration will be commensurate with experience and ability
