

Your Invitation

Market dynamics are changing: Are you ready? Education Seminar

Investment Education Seminar

We are delighted
to invite you to join us
at the **RACV Club** with:

Chris Willaton

Director and Head of Investments,
Akambo

Michael Birch

Director of Global Strategy and International Investment,
Wilsons Advisory

We will cover the following topics:

Portfolio themes for 2018: Where, How and Why?

Volatility: Friend or Foe?

The robots are coming: The Rise of Robotics and Automation.

The power of diversity:

Blending asset classes to meet your financial objectives.
Is cryptocurrency the answer?

Generating fixed income in a low interest rate environment.

Speaker Details

Chris Willaton, Akambo
Director and Head of Investments

Chris brings a wealth of knowledge of the finance industry to his role as Head of Investments for Akambo. With over 30 years of experience in managing investment portfolios and trading strategies for Australian and International equities, Chris provides Akambo clients with broad investment solutions that are tailored to maximise returns while managing investment risk. In 2016 Chris was awarded IFA's Investment Advisor of the Year.

Michael Birch, Wilsons Advisory
Director of Global Strategy and International Investment

Michael Birch has experience in financial markets as a Stockbroking Analyst, Portfolio Manager, Chief Investment Officer and Head of Equities. During his time, he has covered Australian and International equities and EFTs, Managed Funds and credit (debentures and unsecured debt). Michael has a deep interest in investment strategy, implementing and executing strategies to preserve capital and investing across different structures to deliver solutions which are tailored to investors needs.
