

Senior Accountant Business Services

Reports to: Manager Tax and Business Advisory

Full time

Location: Inner west – Footscray

Start: Immediate

We continue to grow and require two Senior Accountants with 4+ year's public practice experience to join our Tax and Business Advisory division.

You will work closely with their Manager, their team members and Partners, gaining exposure to clients across a range of sectors including large companies, high net worth individuals and families, across a variety of industries.

We are seeking talented high performers who can contribute to our business and our clients' growth.

Key responsibilities:

- Identify, raise and resolve client accounting and business issues with managers and partners.
- Develop and maintain strong relationships with their clients.
- Prepare financial statements for Companies, Trusts, and Partnerships.
- Prepare tax returns and other statutory returns for Individuals, Companies, Trusts, and Partnerships

What they'll need to succeed

- A minimum of 4+ years' public practice experience in tax and business advisory.
- CPA or CA qualified.
- Exposure to various business structures
- Business aptitude and awareness, plus direct client experience
- Previous experience in preparing financial statements, tax returns and other statutory and compliance work.
- Proven experience in providing complex compliance and advisory services to clients, with a good understanding of taxation and issues relating to CGT, FBT, Div 7A, Payroll, Workcover and Superannuation
- Experience in managing their own client workload as well as their more junior team members, including reviewing their work.
- Excellent written and verbal communication skills is a must as they will need to liaise easily with clients via phone, email and face to face.
- Good time management and organisational skills, and an attention to detail.

What we offer

We will support your continued development through a wide range of accessible and structured learning and development programs, mentoring from skilled and intelligent leaders, and by surrounding you with a team of great people who are happy to share their knowledge - and learn from them as well.

You will also have access to a wide range of employment benefits, which are designed to help complement their lifestyle outside of work and support their professional needs. These include first class premises, facilities and support, state of the art technology and a competitive salary package, commensurate with experience and ability.
